**Subject:** Crossing a picket line at Ogawa Plaza

On Wednesday, October 26, the Neighborhood Crime Prevention Council & Neighborhood Watch is conducting a workshop on crime prevention technologies. As a block captain I wanted to attend.

There's a problem, though. It's being held at night at 1 Frank Ogawa Plaza, home of the Occupy Oakland crowd, poster children for the misfits, criminals, and anarchists currently occupying our town square and allowed free reign by Oakland's Major Jean Quan and Police Chief Frank Jordan.

According to Tammerlin Drummond ("Occupy Oakland deteriorates into volatile situation)" in her Sunday column, the City Administrator has issued a "Notice to Vacate Frank Ogawa Plaza," but there was no deadline, so why should the Occupy Oakland people care? They replied by stating they will continue to occupy the Plaza by any means necessary. The police have received no instructions from City Hall to send officers to enforce an eviction. Thank you, City leaders.

Holding a meeting on crime prevention at night in the middle of an unstable situation is unwise. It requires law-abiding citizens to cross a picket line of law-breakers with uncertain consequences. It further emphasizes to those interested in preventing crime that the Oakland City Council and the Mayor have no interest in enforcing the laws of the City.

The people in Oakland are watching this whole scene unfold and judging accordingly.

## 20th Anniversary of the Oakland/Berkeley Hills Firestorm Honor & Prepare for a Fire Safe Future

Twenty years ago, Oakland faced what was then the worst urban fire disaster in the nation's history. On October 20, 1991, at 11 am Diablo winds gusting at 65 mph fanned flames and swept through 1600 acres in the Oakland/Berkeley Hills, killing 25 people, injuring 150 residents and destroying more than 3000 homes at an economic loss of \$1.5 billion. At the fire's peak, it destroyed one home every 11 seconds!

Many lessons were learned that day and in the years since. But the most important lesson is that we can prepare for a fire safe future today--and that we must do it now, before the next fire or earthquake.

INTERIM CHIEF HOWARD JORDAN,

IT'S NOW 10/24 AND WE HAD THE MEETING ON 9/27.. IT'S ALMOST A MONTH, HOWARD... WHAT IS YOUR PROBLEM AND WHY CAN'T YOU COMPLETE EVEN THE SIMPLEST TASKS?? I KNOW YOU ARE RECEIVING MY EMAILS AND EVERY MESSAGE I LEFT...

AGAIN I ASK, HOW TRULY SORRY ARE YOU FOR THE LOSS OF MY FATHER? DO YOUR JOB & IF YOU MESSED UP, YOU MESSED UP, BUT FIX IT AND DO RIGHT....

I DON'T KNOW IF YOU REMEMBER THE TATTOO YOU SAW ON MY THIGH OF THE ALPHA/OMEGA SYMBOL I WEAR (AS I SAW YOU LOOKING AT IT WHEN I GOT UP FROM THE MEETING ON 9/27)... BUT AS I'VE HAD THAT TATTOO SINCE 10/10/10 (MY BIRTHDAY), AS THERE IS A SOCIETY I BELONG TO AND PRACTICED IN CODE AMONG OTHER WITH DADDY, I THINK YOU WOULD WANT TO TREAT THIS ENTIRE PROJECT BETTER THAN WHAT YOU'RE DOING.. I'M NOT LIKE THE SHOWTIME SERIES, "DEXTER" AND WE DON'T OPERATE LIKE FOLKS SEE ON TV WITH EXTREMES, SINCE THEY'RE JUST NOW REVEALING A SYMBOL THAT I'VE KNOW AND BEEN A PART OF FOR YEARS, BUT MAY GOD HAVE MERCY ON YOUR SOUL FOR THE MISTREATMENT, NEGLIGENCE, RECKLESSNESS, CARELESSNESS IN WHICH YOU TREAT OTHERS..... BUT IF ONLY YOU KNEW WHAT I KNOW.. YOU'D DO YOUR JOB AND REPRESENT THE BADGE THE WAY IT IS SUPPOSED TO BE REPRESENTED... IN TRUTH AND JUSTICE.. NOT THE CRAP YOU'RE PULLING..

IF YOU KNEW BETTER, YOU'D DO BETTER... NOT A THREAT BUT JUST SAYING AS YOU REALLY OUGHT TO BE ASHAMED AND DON'T DESERVE TO REPRESENT THE BADGE AND THE GOODNESS IT STANDS FOR...

STILL WAITING FOR A RESPONSE, HOWARD.. STILL WAITING FOR A FOLLOW UP IN COMPLETING THE SIMPLE TASKS YOU AGREED TO, HOWARD.... IT'S NOT HARASSMENT BECAUSE WHERE YOU WERE SUPPOSED TO

FOLLOW UP FROM THE MEETING, CORRECTING YOUR LIES AND INACCURATE STATEMENTS, YOU STILL HAVEN'T DONE DUE DILIGENCE... DO YOUR JOB, PLEASE!!!!

HAPPY MONDAY..

**Subject:** STILL PENDING FOLLOW UP FROM INTERIM CHIEF HOWARD JORDAN FROM OPD & NEED A 3RD PARTY CONTACT ASAP FOR SGT. GEORGE PHILLIPS.. YOU'RE ADDING TO MY EMOTIONAL DISTRESS... WHAT IS THE HOLD UP WITH THE SIMPLEST FIXES IN OPD???

It's now the 19th and I STILL HAVE YET TO EVEN HAVE THE SIMPLE ISSUES RESOLVED...

HOWARD JORDAN,

Why is it taking soo long to follow up and follow through with even the simplest issue you were to resolve back on 9/27???

As you already are aware, I have several valid complaints of negligence, dishonesty, reckless behaviors against Sgt. George Phillips and although he has made "significant progress" on the case (which I just found on on 9/27), he has cause me and my family an indescribable amount of irreparable emotional damage.. Not only did he compromise my safety and My/ Daddy's business by violating a court order (because he didn't do his research) by bringing the person who is responsible for Daddy's Murder & who's also made death threats and had her affiliates come after me in a car chase to my place of business without notifying me, not following proper procedure.... But because of Sgt. Phillips reckless & negligent behaviors in not following proper procedure and blatantly lied, I now have to see and hear about others seeing The Truck (THAT I HELD THE PHYSICAL PINK SLIP FOR, IN ADDITION AM THE EXECUTOR OF THE TRUST/ RESPONSIBLE FOR) anywhere from Richmond to Oakland, damn near every day and we lost that strong memory of our father, BECAUSE OF GEORGE PHILLIPS..

Because of Sgt. George Phillips and his lack of returning simple phone calls when I called him in distress the night of the car chase, and even more recently when I received death threats and pleaded to him and your office for help and to trace calls, he treated me with low priority and with the email response he sent, Even SAN LEANDRO PD CONFIRMED HE WAS GIVING ME THE "OUTRIGHT BRUSH OFF TREATMENT" and because of all of the stress when he couldn't even do the simplest things, I lost my child in miscarriage a short time after (BECAUSE OF ALL OF THIS.. NOT DADDY'S DEATH.. BUT GEORGE)....

Even my mother called me and asked me to relay and she also wrote a letter requesting that there be another form of contact because of the critical amount of emotional distress it causes my brother to even talk to him or hear his voice, because he's just as effected and that truck was supposed to go to HIM (for ME to administer to him once it was cleared)..... I CAN'T EVEN STAND HEARING HIS VOICE, LITERALLY.... I am so full of rage/ upset with Sgt. George Phillips it's not even funny, for how he mishandled things, lied & was reckless and I don't ever want to talk to him again. But as issues come up, I have no choice but to call him and leave messages and/or email BECAUSE **YOU DID NOT RESOLVE THE SIMPLEST REQUEST THAT YOU AGREED TO..... DO YOU REALIZE THE EFFECT YOU ARE CAUSING?????????? I MEAN REALLY?????** IT'S BECAUSE OF YOU AND PHILLIPS AND ALL OF THIS UNNECESSARY CRAP THAT I NOW HAVE TO MAKE AN APPOINTMENT TO SEE A THERAPIST BECAUSE OF THE EXTREME AMOUNT OF STRESS CAUSED THAT COULD HAVE ALL BEEN AVOIDABLE IF YOU HAD JUST DONE YOUR JOBS, FOLLOWED PROPER PROCEDURE, TELL THE TRUTH AND DO THE RIGHT THING... IT'S BECAUSE OF YOU, PHILLIPS AND YOUR DEPARTMENT THAT I HAVE TO SEE A THERAPIST TO GET MY STRESS UNDER CONTROL BECAUSE I LOST ALL OF DAMN NEAR EVERYTHING OF MY DAD FROM THAT PROPERTY BECAUSE OF YOU AND YOUR DEPARTMENT AND NOT JUST TAKING TIME TO DO THE RIGHT THING AND PROTECT AND SERVE!!!!!!!!!!!!

BUT FOR ALL I STATED IN THE MEETING AND IT WAS APPARENT THAT YOU UNDERSTOOD BECAUSE YOU AGREED TO RESOLVE THE MATTER, YOU HAVEN'T DONE A THING...

I DON'T KNOW IF YOU'RE TRYING TO PURPOSELY DRAG YOUR FEET TO MAKE THINGS HARD ON ME, BUT LET ME TELL YOU, MAY GOD HAVE MERCY ON YOUR SOUL FOR THE MISTREATMENT OF OTHERS, IF THAT IS YOUR INTENT...

Since My Father's Murder, as My Brother is physically and mentally disabled, EVERYTHING HAS FALLEN ON MY SHOULDERS N WITH THE PERSON RESPONSIBLE FOR HIS MURDER BECAUSE SHE WANTED HIM TO PURPOSELY DECOMPOSE AS EVEN THE FUNERAL HOME CONFIRMED 1ST HAND.... IT'S ONLY ME WHO IS KEEPING THE BUSINESS RUNNING AND PAYING FOR ALL THESE LEGAL PROJECTS NOT JUST FOR YOUR DEPARTMENT BUT OTHER AS I HAVE NO CHOICE IN BEING PLACED AS ADMINISTRATOR OF THE TRUST.. EVEN NOW, AS DADDY WAS ALWAYS THE ONE TO PRIMARILY KEEP MY BROTHER IN CHECK, MAINTAIN ALL OF HIS AFFAIRS SINCE MY BROTHER IS MENTALLY INCOMPETENT, I FOUND OUT THIS WEEK THAT I HAVE NO CHOICE BUT TO TAKE CONSERVATORSHIP OVER MY BROTHER BECAUSE HIS LIFE HAS FALLEN APART AND NO ONE ELSE IS CAPABLE OF TAKING CARE OF HIM...

SO ALL I'M ASKING FOR IS A LITTLE HELP AND IF YOU'RE TRULY SORRY FOR MY LOSS, YOU'D DO YOUR FRIGGIN JOB & TUCK YOUR EGO IN YOUR BACK POCKET..

As My Father left both My Brother & I life insurance, Sgt. Phillips already cleared us back in May... Since then, unbeknownst to me, there is an additional policy in which the Insurance Agency located both me and my brother.. As they sent a form for Phillips to fill out, he returned the form, showing the case is still open (which is to be expected), but showed no indication that I, nor my brother are cleared. He already knows me and my brother have nothing to do with what ever happened to Daddy...

**Howard, since you STILL HAVE NOT RESOLVED THAT SIMPLE REQUEST**, as my brother contacted me last week, I left a message for George to please contact the insurance people and correct. If there is something that I'm not aware of, please let me know... Didn't hear a word from (which I didn't want to hear anyways)...

I sent a follow up email yesterday and no word.. I was contacted by the Life Insurance Agency this morning, as well as my brother and left another message for Phillips and I **REALLY CAN'T TAKE EVEN HEARING ON VOICEMAIL (I will never forgive him for some of the shyt he pulled).. But there is no response.. The request doesn't take but less than 3 minutes to complete and not that hard..**

**Now my guess for you, Howard, is because I struck a chord with your ego at the meeting, your purposely dragging your feet (which you intently made clear with an uncooperative response towards the end of the meeting) to try to make me suffer..... For George, since I started the Hell Storm and Complaint Process with Him**

since June (after I found out about the Truck) and bringing wrath, he's probably doing the same.... It may have been a simple fix, but judging how you and him carried yourselves, so far, I say his behavior is intent....

The sooner situations get resolved, the sooner I'll get off of your cases... **PLEASE FIND AN ALTERNATE CONTACT BECAUSE I REALLY CANNOT STAND HEARING SGT. PHILLIPS VOICE, NOR CAN MY BROTHER & I DON'T WANT TO HAVE ANYTHING TO DO WITH HIM, DIRECTLY.....**

**ALSO, CAN YOU PLEASE HAVE HIM RESPOND TO THE EMAIL I SENT YESTERDAY IN RESOLVING WITH THAT QUICK FIX FOR THE LIFE INSURANCE, (WHICH HE ALREADY DID FOR THE PREVIOUS COMPANY) OR SOMEONE FROM YOUR OFFICE (BESIDES HIM) LET ME KNOW STATUS???**

**THANKS IN ADVANCE AND ALL I ASK IS THAT YOU TURN TABLES AND LIVE LIFE THROUGH MY EYES AND THEN YOU'LL UNDERSTAND WHY I'M SO UPSET, DISGUSTED & MAD AS A HORNET WITH HOW EVERYTHING IS BEING TREATED, HOWARD..**

**Subject:** OAKLAND POLICE DEPARTMENT'S INTERIM CHIEF, HOWARD JORDAN IS AN EGOTISTICAL "SLUG" FOR THE MISHANDLING WITH THE ISSUES/CONCERNS SURROUNDING THE HOMICIDE OF YANCY V JOHNSON

Interim Chief Howard Jordan,

Happy Tuesday... This is a follow up from The email I sent to you, dated 9/30/2011, after our meeting on 9/27/2011. It is now 10/17/2011 and I still have yet to hear a response directly from you... Although you are Interim Chief (until OPD finds a permanent placement), I understand you have assistants.. However, as I met **DIRECTLY WITH YOU** in addressing issues on 9/27/2011 and you made **several** inaccurate statements, was to resolve the request to find an alternate method contact/ correspondence due to the irreparable & extreme emotional distress caused with any type of communication by Sgt. George Phillips, correcting the blatant lie you told in trying to cover for him, in addition to you following up with the outstanding issue of the property access rights/ coordination, I expect to hear **DIRECTLY** from you and have **not heard ONE RESPONSE, FOLLOW UP, CORRECTION OR OTHER... With as much time that's gone by and you knew you messed in the meeting by not being prepared and lied and tried to brush things off, it just seems that you really don't care about your job, nor your department, or you're just too comfortable in your position thinking you can get away with anything... That's a sad frame of mind either way, so I'm going to ask once again as I initially did on 9/27 & 9/30, to correct your inaccurate statements, lie you told and follow through with what you said you were going to do..**

**Again, as I stopped your sentence in the beginning of the meeting because I already knew it was superficial and I stated that if you truly are sorry for my loss, you'd just do your job, making things easier for me.... So again, I ask Interim Chief, HOW TRULY SORRY ARE YOU FOR MY LOSS BECAUSE YOUR ACTIONS CONSISTENTLY HAVE SPOKEN DIFFERENT THAN YOUR MOUTHPIECE...**

Although I had to correct you on several inaccurate statements you made since it was clear as day that you did NOT read through any of the documents, DID NOT contact the City Attorney and did NOT do your homework/ research, it was very apparent that you entered uncharted territory and wasn't ready for it...

Among the list of things, discussed, ONE THING YOU DID AGREE TO DO AS AN EASY FIX was to find an alternate contact, rather than continue to correspond with Sgt. Phillips... Because of the amount of unnecessary stress Sgt. Phillips

has caused our family, including me losing a baby with the stress caused with the multiple acts of malicious negligence and reckless behaviors, violating court orders that compromised my safety and other, it really has taken a mental toll on me and my brother... As I disclosed before that my brother has even called my mother and me crying, breaking down after every time he talks to Phillips... You "acted" like you understood and appeared to be fully cooperative in agreement.. As you have other officers contacting me to schedule meetings (even for other officers), all you had to do is designate a 3rd party to contact as a bridge way for Me/My Brother & Phillips... However, never received a follow up from this simple fix...

Since the meeting on 9/27, Sgt. George Phillips directly contacted My Brother, asking him for MY ADDRESS IN WHICH HE ALREADY HAS... He knows how to contact me.. He called my brother because he was going to send some resource information for a Grievance Counselor... **A GRIEVANCE COUNSELOR 7 MONTHS AFTER MY DAD HAS BEEN DEAD AND FOR ALL THAT WE'VE GONE THROUGH AND HE'S JUST NOW DISCLOSING THIS INFORMATION???**  
**WHAT IS WRONG WITH YOU PEOPLE???** I don't know if he's purposely trying to contact my brother to purposely agitate him, but it is very apparent that you did not even address the issue with Phillips because he still called my brother, days after the meeting on 9/27..... After my brother called both me and my mother, crying and already borderline nervous break down, SINCE YOU COULDN'T EVEN COMPLETE THE SIMPLEST OF TASKS, I HAD TO DIRECTLY CONTACT PHILLIPS AND LEAVE A MESSAGE LETTING HIM KNOW TO PLEASE STOP CONTACTING MYSELF AND MY BROTHER AND YOU WERE SUPPOSED TO HAVE DESIGNATED AN ALTERNATE CONTACT... IT'S NOW 10/18 AND STILL NO WORD, JORDAN... **So again I ask, How TRULY SORRY ARE YOU FOR OUR LOSS?**

As I've spoken to a few associates, clients and other who work in your department, I agree with them 1,000% in saying that you are "full of yourself", "egotistical" and "a slug"... As I stated in the initial email below on 9/30, everything was all smiles and charm until I started correcting you and calling you out on your inaccurate statements as I saw you weren't prepared.. From there, I don't care how you try to mask it, but you became more defensive, impatient, turned uncooperative as it seemed I struck a chord with your ego..... From wanting to help with simple fixes quickly changed as you saw the situation can no longer be brushed off and was all avoidable...

Where you stated that you would contact the City Attorney, and I asked you for a time line and you refused to give one, why is that Sgt. Bolten took a few moments to check in on the matter and doing what you should have done? It was very apparent in the meeting that as I called you out on your lie and inaccurate/ inconsistent statements, that you were trying to find a way to make me suffer.. You ought to be ashamed of yourself, Interim Chief Jordan.. With the behaviors you displayed, even in that short meeting and following after, tells me that you will never be a Permanent Chief and Always a Temporary because you have the wrong frame of mind in leadership and what your badge stands for....

As for a "Slug", That also fits you extremely well as it's all consistent with the behaviors from the meeting and looking at almost 3 weeks later and you still didn't do due diligence on the things you did agree to carry out.. **I'm not even going to define this term as you already defined it for me on Page 15 of Your Deposition from 1/21/11 with your case against Derwin Longmire, but your actions clearly define who you are and this label suits you in how you've handled this entire project....**

I am not purposely trying to go out of my way to attack you or your character.. But when you show any type of inconsiderate, unjust behavior and mistreatment towards me (especially when it's not justified in truth), I have even less consideration for you... Just do what was asked of you and follow through with what you were supposed to do (even from jump)... If folks just did the right thing and do what they were/ are supposed to, you wouldn't have to deal with this...

As I run businesses and even a rule of thumb in dealing with life??? If you don't want people to complain, especially about the same thing, then don't give them a reason to... Either resolve it and keep it moving or try to get it right the first time....

Interim Chief Jordan, in pushing forward, because of your intent negligent and reckless behaviors, I will be pushing forward to file a complaint against you, adding in with the bunch of bad apples... Thanks for making my claim against the city easier as all you had to do was do what was asked of you (even before the meeting) and carry out simple tasks, and you couldn't even do that and let your ego get in the way...

Please see below for original email sent as I still have not heard a response and you are clearly a liability for the city...

**"Pour tous ceux qui répondre à mes appels à l'aide, et de faire diligence raisonnable grâce à la justice, la vérité, de véritables actes de le coeur, et ne pas traiter comme priorité faible, peuvent vous être béni un million de fois plus avec la gentillesse vous montrer d'autres personnes ...**

**Pour tous ceux qui je appel à de l'aide, et de me donner le pinceau de traitement, profiter de, maltraitent & agir avec un coeur mauvais destiné, par négligence, téméairement et bêtément, que Dieu ait pitié de votre âme**

**comme je malédiction vous avec échec dans tous les domaines de la vie, 7x7, en plus de 2 fois comme comment vous traiter les autres de vous être renvoyé.."**

**Subject:** OPD'S ASSISTANT CHIEF HOWARD JORDAN TREATS MEETING SURROUNDING YANCY V JOHNSON'S HOMICIDE WITH BRUSH OFF, LIES & CARELESSNESS

Hi Assistant Chief Jordan & Sergeant Benton,

This letter is a follow up from Our Meeting held on Tuesday (9/27/11) regarding with the investigation and several surrounding issues/ incidents since My Father's homicide on 3/16/11 under Report Number 11-013194.

I will make this as brief as possible and straight to the point. First and Foremost, Sergeant Benton, I want to say that I truly appreciate you being present and for your insight and the way you carried yourself, overall.... With the issues surrounding the trust (gaining access to property,etc)... You stepped up and expressed that with situations like these, it's not a common thing (explanation why the situation has been mistreated), but you came across in being open to listening and looking for a solution (not writing it off since it's uncharted territory).... As you spoke, you took responsibility/ accountability, not just for yourself in understanding and experience as you worked Patrol (putting yourself in a position to see why things were handled the way they were), but Officers in your department Overall... If you weren't familiar with something, you were upfront in saying so, but presented an openness in being willing to learn and explore to resolve.... You took responsibility/accountability with an open mind to resolve and that is a Strong Trait of a Leader...

Even with addressing the issue as to why Chief Batts HAS NEVER responded at any point, you explained that, taking responsibility and I appreciate that... Even for after the meeting was done, you took the initiative to walk us to the Elevator and Explain some things but you made an attempt to bring closure with a "POSITIVE" resolve. Sgt. Benton, for your participation in the meeting and after, YOU ARE APPRECIATED AND SHOW GREAT TRAITS OF LEADERSHIP.... THANK YOU...

Assistant Chief Howard Jordan,

let me first say that it was a pleasure (at first) meeting you.... As a compliment, I will say that you just as much extremely attractive on the news as you are in person.. You have a very strong and confident presence with an initial pleasant charm... What I am about say, as I speak in truth is I am extremely disappointed and offended by the meeting in how you conducted yourself, trying to figure out how did you get so hi in ranking... How can someone attractive, sharp, bright & charming on the exterior be so careless, dishonest, egotistical, insecure & "Unsmart" on the interior.... *Since light travels faster than sound, isn't that why some people appear bright until you hear them speak?* Just saying and not even trying to be mean but you definitely are That Example... As you treated this meeting and my file overall (complaints, concerns) with such inconsideration and carelessness, I have even less regard/ consideration for you at this point... As I have a lot of friends, associates, clients and other in your department, SOMEBODY SHOULD HAVE WARNED YOU ABOUT ME... I'M NOT OF THAT GENERAL POPULATION & VERY MUCH A RARE SPECIES AS YOU'RE ABOUT TO FIND OUT.... If you knew better, you would have done better.... Since you didn't, maybe this will give you incentive to correct the mistakes you made in the meeting..

Assistant Chief Jordan, from the beginning of the meeting, I picked up on your type in knowing you were gonna be full of shit and shady the moment you said "I'm sorry for your loss..... " (I picked it up in your voice)... That's why I stopped you because I already knew your condolences were superficial... As I stated if you truly are sorry, then do your job and make things easier for me.... The FIRST QUESTION I asked you is if you did your research

(homework).. You replied , "Somewhat"... That tells me right there how much care and attention you put into My File of Situations/ Concerns/ Requests surrounding My Safety and My Father's Homicide and shows me how truly sorry you are for My Loss (which is none whatsoever)..

As there were several issues to discuss, I will say Thank You for resolving the "simple issues"... Although I wanted to have the case re assigned from Sgt. George Phillips because of his several acts of Negligence, Poor Customer Service & Dishonesty, I do understand and can respect the reason why you will not do so... Since NO ONE EVER CALLS ME OR CONTACTS ME OR RESPONDS with Status, I did not know of significant progress (and confirmation of information)... With what you disclosed, I can respect and agree that a Private Investigator is not needed for this case... I have no arguments with that... Thank You for honoring my request of finding an alternate method of communication since Phillips has caused so much emotional distress (with his foul ups) to me and my family.. I look forward to the update very soon....

Now on the main tip, You made SEVERAL MISTAKES & YOU LIED, ASSISTANT CHIEF JORDAN AND YOU OUGHT TO BE ASHAMED OF YOURSELF... You've had full knowledge of all of my complaints, emails, all documentation as there was a meeting ORIGINALLY SCHEDULED on 8/4/2011... You had from Late July until then to "do your homework" (research).. The meeting was cancelled and you went home before the meeting slot was even over and it was RESCHEDULED FOR 8/17/2011... You had from 8/4/11 until 8/17/11 to "do your homework" (research).... As Chief's Assistant, Yolanda Morris (who is also a liar) cancelled the meeting the day of 8/17/11, since you had an urgent meeting elsewhere, I didn't hear a word and things got escalated to where I FINALLY met with you this past Tuesday (9/27/11)... In all of this time, You had from Late July until Tuesday (9/27, exactly 2 months after initial meeting was scheduled) to "do your homework" (research)... You had all this time to research the emails and all attachments (That Chief Batts, Sgt Phillips & You had all this time), take a few moments to call the City Attorney to run scenarios by her, asking questions and getting confirmation and clarification of what can be done, proper policy procedure and other... But YOU DIDN'T DO A DAMN THING & LOOK EVEN WORSE THAN CAPTAIN STEVE TULL... How do I know? You told on yourself as it showed throughout the entire meeting....

Per our discussion on Tuesday, you made several inaccurate statements and I want you to confirm or correct what you said...

For the issue of gaining access on the property to retrieve the rest of My Father's Belongings that are ALL LISTED IN THE TRUST, I provided and re attaching the following:

- The Revocable Trust My Father (deceased) created from 2007, which includes the Grant Deed that Shows His SOLE Ownership of the Property, Information in the Trust confirming the Property was to go to ONLY Me and My Brother, Yancy P. Johnson
- Documentation confirming my role as Administrator/ Executor of The Trust
- Documentation confirming my role as Administrator/ Executor of The Property with Rights

**YOU'VE HAD ALL OF THIS INFORMATION SINCE LATE JULY AND POSSIBLY BEFORE, AC JORDAN AS IT WAS ATTACHED IN THE EMAILS....**

I have made several attempts to access the property with Civil Standby's and as the person who is Responsible for My Father's Murder (My Estranged Stepmother) has squatted on the property and lied alleging it was her house and property (after I provided the same documentation to the responding officers), your officers refused me access to my own property and brushed it off as a "civil issue", stating that a court order is required (which is inaccurate as your city attorney and my attorney confirmed)...

**There is no reason, as I provided all necessary documentation to the responding officers and your department that I should not have been able to get onto that property, retrieve personal properties and carry out my duties of the Trust as the Trustee/ Administrator/ Executor as even MY ATTORNEY WAS PRESENT ON ONE OF THE ATTEMPTS AND ALSO IN DISBELIEF BECAUSE OF IMPROPER HANDLING OF THE SITUATION..**

As you also confirmed that what I am requesting is a "civil matter", you **DID NOT DO YOUR HOMEWORK AND CHECK WITH YOUR CITY ATTORNEY BEFORE MAKING THAT STATEMENT...** As you asked me the same questions in several different forms of do I have documentation to confirm that I have access and other, I DO AND I PROVIDED THAT INFORMATION WAS PROVIDED TO YOU 2 MONTHS AGO & EVEN THE MORNING OF THE MEETING.. **YOU WOULD HAVE KNOWN THAT AND READ THAT IF YOU DID YOUR RESEARCH!!!! BUT YOU DIDN'T, WHICH SHOWS ME HOW TRULY SORRY YOU ARE FOR MY LOSS BECAUSE YOU DIDN'T EVEN READ ANY OF THE DOCUMENTATION AND TAKE CARE OF THE TASK THAT WAS ASSIGNED TO YOU.... DO YOUR JOB!!!!!!**

As you've had this file/ emails/ documentation since Late July, it wasn't until the meeting on Tuesday (9/27) that you said you will contact Rocio Fierro ... I asked if you can also contact and coordinate with My Attorney and you refused, already appearing to be flustered because I had to correct you... I don't care how much you were trying to keep your cool, I could with your body language, eye movements and slight change in color, you were flustered... I asked you how soon can I hear from you on this because as I've been trying to make attempts since March with Civil Standbys and All and since then, The house has been foreclosed on, The Person responsible for My Father's Murder has Stolen everything out the house (family heirlooms, furniture, pictures,etc) and the only thing I need to get is The Vehicle that's in the carport since I am now being sued for it as The Administrator of The Trust and My Estranged Stepmother's Car is blocking it.... You tried to brush the question off so I asked more directly, "Can you please give me a time when I can hear from you and have this resolved?".. You responded, directly, "**No, I will not give you a time....**" in a very short tone and I could tell you were agitated.. **YOU HAVE SOME NERVE AND YOU DON'T THINK BEFORE YOU SPEAK, I SEE...**

**So let me get this straight,** as I'm already in process of filing a claim against the city and your department (taking money away from the already over budgeted city and your short staffed department) because of the several careless acts of negligence caused primarily by Sgt. George Phillips, I've already suffered the loss of My Father, have had death threats that your department gave the brush off treatment as even San Leandro PD confirmed, have lost damn near all sentimental belongings that were in that house by being stolen (photos, heirlooms, furniture, his clothes, etc) because your department didn't know to follow the proper procedure and have suffered A GREAT AMOUNT OF STRESS BECAUSE OF THE ACTS OF INCONVENIENCES UNNECESSARILY CAUSED BY YOUR DEPARTMENT ALL SINCE MARCH..... And you can't be considerate enough to see with all of that, take a few moments, make a call or 2 to get proper clarification and confirmation and coordinate something that would only take less than an hour to resolve??? As much as a few of your officers have messed up so far, you can't take a few moments out of the day to JUST DO YOUR JOB, RESOLVING THE MATTER QUICKLY JUST SO WE CAN ALL MOVE ON?? The sooner you do your job, the sooner I'll stop bugging you....

As I'm already in process of filing a claim against the City and Your Department because of your "non education" with the issue of gaining access to the property with the Trust & Administration Documentation as I was refused access, inaccurately passing things off as a "civil matter" and since March, Everything has been stolen out of the house since then, YOU MEAN TO TELL ME THAT BECAUSE YOU HAVE AN EGO PROBLEM BECAUSE I CORRECTED YOU ON SOME THINGS, YOU'RE WILLING TO COST THE CITY AN ADDITIONAL \$125,000+ (The Value of The Car)???? ALL THIS BECAUSE YOU DON'T WANT TO FOLLOW THROUGH AND FOLLOW UP ON A TASK THAT WAS GIVEN TO YOU SINCE LATE JULY???? You ought to be ashamed and May God Have Mercy On YOUR SOUL WITH THE MISTREATMENT YOU GIVE TO OTHERS..

So, Assistant Chief Jordan, how much do you really care about the city and your department??? How Truly Are You Sorry for My Loss as You So Superficially Stated??? How much do you truly honor your badge and what it stands for in protecting and serving??? Your actions spoke louder than your words, Jordan and I'm offended and disappointed.... You're too attractive and high ranking to be so foolish and careless...

The Simplest Resolution I am Requesting??? I am just asking for a Civil Stand by... I will coordinate (as I've done before) with Tow Trucks, Attorney and Locksmiths to gain access through the gate and onto the property... Since My Estranged Stepmother's (who is also the suspect in looking to be charged with Grand Theft Auto, Grand Theft, Attempt to Commit Fraud (Insurance Agency), Fraud/ Forgery with DMV & Falsifying Information on a Police Report) other car is parked in the driveway, blocking the carport, if she is there, the officer will tell her to move her car out of the driveway so I can have access... If she is not there, I will have her car towed and placed on the street. I will remove the vehicle listed in the trust, check the property to see if there are any other items listed in the trust (the house has been damn near completely cleaned out but still need to check) and be done... I am just asking that with all the information provided to your department, confirming ownership and rights onto the property and personal property listed to the trust be advised to the responding officer so if the Squatter aka Suspect aka Estranged Stepmother tries to feed some garbage out her property and other, the officer will know the situation ahead of time and be able to act accordingly, instead of refusing access and brushing off as a civil matter (which has been an ongoing inaccurate occurrence)..

**IS THAT TOO MUCH TO ASK, ASSISTANT CHIEF JORDAN SINCE THIS CAN ALL BE DONE IN LESS THAN AN HOUR...**

With the topic of status of the rest of My Father's Belongings that were in that truck and on his body, and the issue of releasing property, again the issue of the Trust came up as I provided all of this documentation to Sgt. Phillips since the beginning and you had in your possession since Late July (emails attachments with the complaints/requests).. **A Trust is defined as a Legal Obligation given by a person called the donor or settler (my dad), binding upon the Trustee (Administrator/ Executor) of the Trust, for the benefit of another (referred to as beneficiary)..** Assistant Chief Jordan, you directly stated that Department Policy does not Honor Trusts because it is a civil matter and property is released to next of Kin (which would be My estranged Stepmother).... You made the same mistake Captain Tull Did as you did not DO YOUR RESEARCH/ HOMEWORK... I questioned your statement because if that was the case, why did Sgt. George Phillips, out of negligence, directly contact my brother (beneficiary) about The Truck (that was Illegally Auctioned Off, Later) that My Father Was murdered in, instead of My Estranged Stepmother??? You responded that Phillips did contact My Stepmother and she told him to give the truck to my brother.... You didn't say "Phillips may have" or "Possibly"..... You directly responded with that statement with confidence as if it was a fact... Assistant Chief Jordan, your response was a COMPLETE BOLD FACED BAD LIE AND YOU NEED TO QUIT IT!! I KNOW THAT DIDN'T TAKE PLACE BECAUSE WHEN I PUT SGT. PHILLIPS ON SPOT, HE STATED DIRECTLY (via email and verbal on voicemail) THAT HE RELEASED THE TRUCK DIRECTLY TO MY BROTHER SINCE HE IS THE "BENEFICIARY" OF THAT TRUCK.... So not only did you try to cover for Phillips, but you got caught in a LIE, not knowing what I already knew...

AS YOU TAKE AN OATH OF LOYALTY TO THE BADGE AND ALL IT STANDS FOR IN PROTECTING AND SERVING OUR COMMUNITY, **DON'T EVER LIE AND ESPECIALLY DON'T EVER LIE TO ME!!!**  
\_Your colleagues should have warned you about me because I'm not the general population female....

So back to the Trust, as you stated that Department Policy does not Honor Trusts because it is a "civil matter" and property is released to next of kin, I asked you "are you sure?" and "Can you email me what you just stated" because if that's the case, your department and the city would be covered with law suites and liabilities.. You stopped (already flustered because I've corrected you a few times already) and had to think about it and said you'll check with the city Attorney.. YOU SHOULD HAVE BEEN DONE THIS SINCE BEFORE OUR INITIAL MEETING THAT WAS CANCELLED ON 8/4 AND HAD THE INFORMATION AND RESOURCES THE ENTIRE TIME BUT DID NOT TAKE THE TIME TO RESEARCH AND DO YOUR HOMEWORK.. So how much time did you put into this project, Assistant Chief???

Lastly, although I have filed a complaint against Sgt Phillips, it has nothing to do with him continuing the investigation.... And the case is still open... One of my main complaints, as My Brother and Daddy's Best

Friend both confirmed to you is that there were leads that were provided with direct knowledge, even from the beginning and Sgt. Phillips never contacted many of them... Also, as I received Death Threats already knowing it's related to the person responsible for Daddy's Murder (My estranged stepmother), I asked to have my records traced and cross referenced to Daddy's and see any connection.. I received the brush off treatment as even San Leandro PD's Officers Confirmed.. I asked you in pushing forward, can he please do the trace & investigate to see if there is any connection and call the leads... You directly told me I have to file a complaint in order for him to do that... ARE YOU KIDDING ME? YOU REALLY NEED TO THINK BEFORE YOU SPEAK, SOMETIMES.. JUST SAYING....

So Assistant Chief Jordan, let me get this straight... As the investigation is still open, you mean to tell me that with investigating as sometimes we have to back track our notes, exhaust leads and just check into information, I have to file a complaint for him to turn over a stone that he already has knowledge of??? So you're telling me that if I provided information to your department for an open investigation that might possibly be helpful, I have to waste the City's Over Budgeted Spending on Filing a Complaint, having people to review it and then tell him to do his job??? You mean to tell me, you'd rather for me to file a complaint, rather than you telling him to take a few minutes just to follow up on something to exhaust a possible lead/ connection that could possibly close the case, sooner so he can move on???? **Assistant Chief Jordan, It appears that YOU'RE A LIABILITY TO THE CITY WITH HOW MUCH YOU'RE COSTING THEM WITH POOR JUDGEMENT & WASTING TIME.....**

So let me ask again, Are you SURE I HAVE TO FILE/ ADD COMPLAINT IN ORDER FOR PHILLIPS TO FOLLOW THROUGH WITH INFORMATION HE NEVER CHECKED ON AND IS ALSO RELATED TO MY SAFETY??

**Since you didn't do your homework and as I've mentioned I've been involved with a car chase since Daddy's Homicide, Received Death Threats and Other.. Let me remind you as I, along with everyone else knows I'm the Next Target?? Is because for the person responsible for his murder (my estranged stepmother) has a motive of pure hate towards me (which is why she is acting the way she is and committed all these separate crimes since)... When my father was alive, and I was the closest person to him, I was not only his business partner and Daddy's Girl, But His Doberman (My Nickname).... What ever he told me to do, I did while he sat back and relaxed... For the person responsible for Daddy's Murder, upon request, I have fired her from the job a few times, repossessed the car she was driving.. When Daddy wanted to separate in the past from her, I coordinate everything and made it happen... When Daddy didn't want to be around her and she was stalking and harassing him, I prepared the protective orders for him and all he had to do was sign and be there.. Even for the eviction, I'm the one who prepared the document, he signed it and I served her for him and was to complete the process..**

**After his death and as you will see, he didn't leave her in charge and really didn't leave her anything, including a life insurance policy, she's still angry and blamed me for years for why he didn't want to be with her... So as you see from the tons of police reports & restraining orders and other, just as she removed him, the story is not over.. With your actions on Tuesday, tells me either way, you don't give a damn as your ego is too much in the way and you're too busy and you're too lazy and/or comfortable in your position to research anything....**

Either way, Jordan, I'm going give you a fair shot here and ask that you correct your inaccuracies and do the right thing...

As the meeting was from 2-2:30, it ran over and as time grew closer to 3, I observed something and want to point it out... On the day of the initial meeting, which was scheduled from 3-3:30, I called the patrol desk when I was trying to find parking to let them know to notify you I'm there but will be in a few minutes late, although my brother and daddy's friend were already there and waiting.. As I came in around 3:10 and waited in line (since McDonald told My Brother that he wasn't going to acknowledge him because he wasn't supposed to be in the meeting), when I finally talk to McDonald, he called the 8th Floor and told me

the meeting was cancelled... I didn't understand and it was Kiona Suttle that came down stairs to inform me that Jordan had already left and he usually gets off by 3:15 (This was approximately 3:17).. I showed her my call log to confirm when I called into Patrol at 2:57.... Kiona then went upstairs and went to find someone to meet with us... She came downstairs, apologetic and confirmed no one was available and instructed me to call to reschedule with Yolanda... But one fact is JORDAN WAS GONE BEFORE THE MEETING TIME SLOT WAS OVER BEFORE 3:17...

I made a complaint about this shortly after and Yolanda called to address the issue and stated that Jordan was there the day of the meeting and did not leave early.... I could tell she was lying on the phone... But for confirmation??? One thing I noticed is in the meeting, as it got closer to 3, Jordan you kept looking at your watch and I could see you growing slightly impatient (like you were ready to go).... That was confirmation enough for me too see that your actions were consistent with the apology and update Kiona gave to me (IN TRUTH) on 8/4/11 and Yolanda is a lied, after the fact, trying to cover for YOU... **YOU GUYS NEED TO QUIT LYING SO MUCH AND JUST DO YOUR JOB!!! WHAT ARE WE (THE CITY) PAYING YOU AND SUPPORTING YOU FOR????? DO THE RIGHT THING AND QUIT PLAYIN REINDEER GAMES!!!!**

**So Assistant Chief, Jordan?? As The meeting was held on Tuesday, I never received a follow up from the meeting, even to correct your inaccurate statements, but I am requesting response and resolution to these matters no later than Wednesday, October 5th, at close of the day.... These simple requests only take a few minutes to complete and as you didn't do your job and research before, and you WASTED MY TIME WITH THE MEETING SINCE YOU WERE NOT SUFFICIENTLY PREPARED, DO THE RIGHT THING THIS TIME AROUND...**

**IF I DON'T HERE FROM YOU, YOU'RE JUST ANOTHER STATISTIC TO BE ROLLED UNDER THE BUS WITH THE REST OF THE GENERAL POPULATION OF BAD APPLES WITH COMPLAINTS, CITIZEN'S REVIEW BOARD, ADDING TO THE CITY'S CLAIM AND OTHER... YOU'RE NOT ONLY COSTING ME MONEY AND WASTING MY TIME, BUT YOU'RE DOING THE SAME THING TO THE CITY & YOUR DEPARTMENT... JUST DO THE RIGHT THING AND COMPLETE THE TASKS THAT WERE HANDED TO YOU 2 MONTHS AGO!!!!**

**PLEASE SEE THE ATTACHMENTS ONCE AGAIN THAT YOU ALREADY HAVE HAD IN YOUR POSSESSION FOR 2 MONTHS, REVIEW, RESEARCH AND RESOLVE, APPROPRIATELY!!!!**

**WITH THAT HAVE A WONDERFUL WEEKEND....**

**Subject:** [glenfriends] East Bay Express & Others Endorse Measure I and Breakdown of where the money will go

Dear Glenfriends:

### East Bay Express Endorses Measure I

The East Bay Express this week endorsed Measure I, acknowledging that the city has made very deep cuts to services and employee pay - they call it a "fair share" proposal:

"Because of the Great Recession, Oakland's tax revenues have plummeted more than 20 percent in the past several years. As a result, the city has been forced to cut many vital services. In addition, the city's employee unions agreed to more concessions earlier this year, helping close a huge budget deficit. Most notably, the Oakland police officers' union finally agreed to pay 9 percent into its pension plan. Consequently, we view Measure I, a parcel tax measure on the current mail-only ballot, as representing a "fair share" proposal and we support it."

>This is just a portion of the article.

>

>In addition, here are the list of key endorsements for those who may not be aware:

>

>The City Council voted 7-1 to put it before the voters in response to neighborhood and business leaders, and concerned Oakland residents from every district working together to pass it.

>

>Latest list of endorsers include:

>InsideBayArea.com reported on October 22, 2011 about where Measure I money will go. This plan was

approved by the Oakland City Council last Tuesday. Here's the quick breakdown for the \$11 million that Measure I will create for each of the next two years if passed by 2/3 of Oakland voters:

- >
- >- \$5.1 million to the police department to train and hire more officers and buy equipment.
- >- \$1.5 million to public works to restore staffing for street and pothole repair.
- >- \$1.2 million to parks and recreation to restore restore gardener and tree-trimmer jobs.

**Subject:** FW: TIGER III Plans 1 and 2A and 2B

Mayor Quan and Fred,

Attached are the evolution of the TIGER III application scenarios.

Last weeks versions are Plans A,B, and C which were the basis of our discussions with the Port.

Plan 1 was what I distributed to the Port and developer. The Port immediately pushed back on the concept of including any private funding in their OHIT Rail Yard.

Plans 2A and 2B reflect the Ports position but provide for a lesser Phase One for the the Port OHIT.

**Plan 2A Maximum Private Investment** illustrates a \$415,400,000 project as a result of characterizing the Phase One Prologis and Recyclers buildings as a part of the TIGER III project and leveraging \$100,000,000 of TCIF. It goes a long way in addressing most of the OAB's infrastructure needs and even includes \$20 million for Safety improvements to the 7th Street grade separation.

**Plan 2B Minimum Private Investment** illustrates a \$215,400,000 project because it does not include the \$100,000,000 in private Logistics buildings. It addresses our backbone infrastructure needs but falls far short in reading the sites for development.

In neither Plan do I not include a very important potential private improvement, the Ports America (POA) On Dock Rail. We do not have a stake in that deal nor do we have any sense of timing. The developer may be able to get something from POA that would enable its inclusion in the TIGER III application.

In both Plans 2A and 2B, I am assuming, at a minimum, the inclusion of private rail investments on our property and private investment into the West Gateway. I know that the developer is investigating how these assumptions and a very different set of sources and uses may emerge from his work.

I am copying Toni Horst, with AECOM, who I believe may be meeting with you in DC. Toni is our consultant drafting our application, which from her point of view is a very moving target. I do not think you should share the level of detail in these scenarios with people at DOT but Toni will be able to advise us on how best to structure our application. Bigger may not be better for the purposes of TIGER III. The large private leverage scenario is really crucial when we amend the TCIF Baseline Agreements to reflect the greatly reduced costs for 7th Street and the greatly increased Backbone, Site, and West Gateway Marine Terminal costs.

Fred, I left with Maisha hard copies and flash drive copies of the materials you will want to bring to DC. She was going to make final presentation hard copies for you. Please confirm that she has gotten them to you.

Mayor Quan,

The attached TIGER III Plan 1, is just that, the first of what I am able to put together based on conversations the Port and the developer.

Our consultant has serious concerns about the inclusion of the Port \$ and the private \$ in the Port Rail.

I am putting it out there now to elicit input from the Port and the developer.

Dear Ms Everhart,

It was nice meeting you and the others at Mayor Quan's birthday party yesterday. I had a great time. I would like to thank Mayor in advance for writing a letter to the administration of Alta Bates Summit Medical Center regarding the closure of their imaging service in Chinatown causing a slight turmoil in the Chinatown community especially among the practicing physicians. As requested by Mayor Quan, I am sending you a draft letter which she can use for such purpose. I am also enclosing a copy of the petition which is being circulated in Chinatown at the moment and a copy of the photo she took with me yesterday. Please feel free to contact me if there is any question.

Best,

## Q&A DISCUSSIONS

Washington Post reporter Manuel Roig-Franzia **was online at 12:30 p.m. ET** to discuss ["Marco Rubio's embellished family story"](#):

**Q:** I'm sorry Manuel. This is much ado about nothing. Your story was over 1600 words and all you had was that Rubio has been misstating the year of his parents' arrival in the US. Don't you guys have editors at the Washington Post? You also seemed to imply that Rubio is incorrect when he says he is the son of exiles. But he's correct. My question: Why didn't you wait until you had something a little substantive before writing this story?

**Manuel Roig-Franzia:**

My editors and I determined that this was newsworthy. And that's why we published the story. Sen. Rubio is one of the brightest stars in the Republican Party, a person invested with great hope among many in the party. He's also widely considered a possible vice presidential or presidential candidate in the future. We typically examine the statements of important public figures. And this story is an example of that approach. I'll let you draw your own implications about the worthiness of the story and any implications that you believe exist. You're certainly entitled to your opinion and I'd like to share your opinion with our readers so that they can take it into consideration as they assess this story.

Dear City Administrator and City Attorney-

I have received the memo sent this morning by the City Attorney in regards to the Tent Cities in Frank Ogawa Plaza and Snow Park. I'd like to state for the record that as of today, 10/24/11, neither the City Attorney nor the City Administrator's office have briefed the Council, or at least not me, on the tent city situation.

I spoke with the City Administrator last Thursday to express concerns about the tent city in the plaza and was assured by her that they were working on a plan to deal with the situation, that an eviction order was to be issued shortly, and that they were prepared to take action, yet four days later, nothing has happened.

I shared with our City Administrator last Thursday that I have received multiple complaints from residents and downtown businesses around Frank Ogawa Plaza, including complaints of stolen items, vandalism and a negative impact to sales resulting from illegal activities taking place in the Occupy Oakland campground.

Despite the distribution informational materials regarding what is and what is not permissible in the Plaza, tensions continue to build in the Occupy Oakland campground and we as a City will be held liable for any damages and/or injuries. We all know that we will be held responsible for failing to take action and each day that passes, the City's failure to act sends them the message that we will accept and tolerate their actions.

Other municipalities across the Country including our neighbors in San Francisco and San Jose have not allowed camp sites to grow as we have here in Oakland, they've both taken action to remove tents to avoid future larger conflicts between the camp tenants and the City, particularly police.

What are the next steps to address the safety and health concerns and when will the campground be removed?

Ignacio

**Subject:** Update from City Administrator on Occupy Oakland

Dear City Staff,

Today marks two weeks since the Occupy Oakland demonstration began in Frank Ogawa Plaza, and a small encampment at Snow Park near Lake Merritt has now developed. From the outset of the demonstration, the City of Oakland has focused on three clear goals: 1) facilitating the protesters' right to free speech and peaceful expression, 2) maintaining public health and safety, and 3) crowd control.

Last Thursday, the City put the demonstrators on notice that as a result of multiple conditions—including fire hazards, increased levels of violence, denial of access to public safety personnel to assist injured people, mounting sanitation hazards, health hazards, physical damage to the Plaza and lawn, graffiti, and disruption of the Plaza for broader public use—they were required to vacate the Plaza between 10 pm and 6 am.

On Friday, the City issued a formal notice of violations and demand to cease overnight camping and cooking operations. In addition, on Friday night and throughout the weekend, the City's homeless services team has been coordinating with Operation Dignity and Alameda County to arrange for shelter, meals, and service referrals for the homeless population camping on the Plaza. Starting today, the Fire Department will assist with the removal of propane tanks and cooking oil to address some of the fire hazards.

Our goal is to facilitate individuals to remove their tents, cooking facilities, and belongings, and to leave cooperatively. We are partnering with community allies to help facilitate communication with the protesters regarding their departure, and we are providing services to assist those with housing and behavioral health needs.

The City remains committed to respecting free speech as well as maintaining the City's responsibility to protect public health and safety. Peaceful daytime assembly will continue to be allowed between 6 am and 10 pm daily, but no camping or overnight stays will be permitted.

I greatly appreciate your patience these past two weeks, and I recognize the inconvenience (e.g., noise, sanitation issues, concern for safety, etc.) that you have faced as a result of the demonstration. We also appreciate that despite the distractions, you have continued to meet your work responsibilities. I want to personally thank you for staying focused and being patient.

I ask for your continued patience. We do not anticipate that our efforts to facilitate the departure of overnight protesters will disrupt your work or require changes to your work schedule. Thank you for keeping your focus on providing outstanding service to our community.

You can view the written communications we have delivered on the City's home page at [www.oaklandnet.com](http://www.oaklandnet.com).

Sincerely,

Deanna J. Santana  
City Administrator

### Oakland City Councilmember Libby Schaaf's District 4 Newsletter - October 3, 2011

**Dear Jean,**

Of the three measures on Oakland's November 15 special election ballot, I hope you give special consideration to the one I wrote: Measure J.

Measure J would reform Oakland's Police and Fire Retirement System. It would give Oakland some relief from skyrocketing pension costs and force us to manage pension payments more responsibly in the future.

Like many cities, Oakland's mounting pension costs and unfunded liabilities are threatening our ability to deliver the most basic city services. Past commitments to generous pensions for retired city workers are overwhelming our ability to pay them and still fund current services like police, fire, public works, libraries and parks. California law severely limits the City's ability to change these costs and prohibits us from modifying our past commitments.

Oakland's Police and Fire Retirement System "PFRS" has been closed to new hires since 1976, but still pays benefits to about 1,000 retirees. Because this retirement account is not fully funded, the City must pay the PFRS fund almost \$46 million every year until 2026.

Measure J would reduce the strain on Oakland's budget by trimming \$4 million from the annual \$46 million payment, in

exchange for a modest deadline extension of two years. Oakland's PFRS obligation is not a loan, so the 2 year extension under Measure J would not add interest charges. An analogy would be like giving yourself two more years to reach a savings goal.

Measure J's amortization provision would force Oakland to make stable payments and add protections from market speculation and volatility.

An independent financial expert, or actuary, will control how Measure J is used. The PFRS deadline would only be extended if the actuary can assure that it will be financially responsible and sustainable. Extending the PFRS deadline would not increase or extend any taxes or add any debt to the budget.

This modest adjustment would reduce the strain of Oakland's annual pension payments by \$4 million a year, enabling us to redirect that funding toward pressing matters like hiring more police and road repairs.

In its endorsement, Make Oakland Better Now says "Measure J represents a reality-based response yielding budget relief and securing our promise to pensioners without the requirement of additional taxes or bonding." Measure J also is endorsed by the Democratic Party, Chamber of Commerce, Oakland Firefighters Local 55, Association of Retired Police Officers, East Bay Express, Alameda County Central Labor Council, and the Wellstone, MGO and East Bay Young Democratic Clubs. Measure J was inspired by the work of the Oakland Budget Advisory Commission and particularly its Ad-hoc Committee on Unfunded Liabilities, to whom I'm very grateful.

Please vote YES on Measure J. This is a mail-only election. Please be sure your ballot reaches the Alameda County Registrar of Voters by November 15th.

Thank you for your consideration,

Libby Schaaf, Councilmember District 4

Jean has more power than just the power to send in cops to break up an encampment on city property. She can ask the City Council to make it legal. That would not condone any violence that might erupt, but it would prevent the destruction of a peaceful demonstration that is at its core demanding a change in the priorities of our society -- the same demand that was passed overwhelming by the US Conference of Mayors, an organization in which the Mayor participates.

I think Jean should do that at the next Council meeting, or call for a special meeting. We -- the BBON steering committee -- could mobilize people to speak at it.

The Mayor could also express her solidarity with the demonstrators by having her own tent there with signs showing what aspects of the Occupy movement she supports.

From reading the emails going back and forth, as well as from numerous conversations in the last few days, it is clear to me that the majority of the core leadership of BBB wants something different to happen in Oakland than the scenes from around the country of cops in riot gear attacking peaceful demonstrators. After all, we elected a different kind of Mayor, a Mayor who is progressive in action as well as words, a Mayor who is struggling to find ways to improve the lives of the most hard-hit of our city, who is struggling to maintain and increase services in a time of enormous cuts from the state and the federal government -- in a word, a Mayor who represents the interests of the "99%."

Everyone who I've talked to who has investigated directly says that there is more to this than just the type of anarchists who desire confrontation and violence. I think the Mayor should avoid giving that minority what they want.

I don't know what union internationals are doing, but quite a few local unions are acting in a supportive way and that is growing. There is an important process going on here that needs time and space to develop.

Sharon

I hope you got the info that the Unions have gotten involved at the International Level calling to support the Occupy Oakland effort. I do think they see it as politically good for them and Obama and therefore worth supporting. They of course don't know the specifics of THIS action in terms of the groundrules and the leadership. Sharon Cornu is working with them. I told Alan that if the unions were to REALLY get involved and are willing to step up that would change the whole thing (leadership, accountability, non violent, etc). I don't think that will happen. If you need to call Sharon Cornu do so at: 207-9556. Her work number is 238-7143 and her private email is [sharoncornu@gmail.com](mailto:sharoncornu@gmail.com). Floyd

Hi,

This list of recipients covers, I believe, those that were helping with the BBB effort yesterday to better ascertain what's going on at Occupy, what we can do to assist the effort, and help meet the City's concerns to avoid any attempts at eviction. A couple others who have been in on the discussion are added (let me know if I left someone off).

We divided the City areas of concern and the goal of each person there was/is to try to get a solid feel for what the reality is, what is needed in each area, and how we can be of help in meeting camp and City concerns.

Jose Dorado--Security and safety issues

Allene--Fire safety concerns

Pamela--Kitchen, sanitation, and portapotties

Don Link--rat issue (with able assistant from rat experts Sheryl and Rich),

Sheryl--trash collection, disposal and problems

Allan and Rich--Communications and liaison w. City Hall (preview: working on communications between Occ Oak and City Hall, union coalition involvement, etc.)

Who/what did I leave out?

We reconvened together after about an hour for a quick debriefing, further discussion with the security coordinator ("Rasta"), committed to write up a statement of what we found in each area (what we found out, specific contact people, what's needed in each area, and plans of action, etc.) and send them to me ASAP. Time is very short, so please send your report to me as soon as possible today.

Briefly, I want to say that I followed the anarchist contingent closely during the march, was pleasantly surprised that they were orderly, controlled from what I saw, and completely non-violent (which is what I've observed at Occupy Oakland during my time there). Also, I was totally impressed by the police, how they seemed to sense where the crowd was going ahead of time, controlled car traffic in very busy intersections, did not over-react (even at the brief bank takeover), etc. [On a personal note, I was laughing at myself for being super anxious about any property destruction, when I thought back at how I was part of the movement that took over major freeways for days at a time and dug them up, burned down the Bank of America (Island Vista/S. Barbara), took on ROTC, etc. in the effort to end the Viet Nam war.]

Please email me your report backs, and I'll then email the compendium to everyone, so we don't all get a dozen

individual messages.

Thanks.

After Rich bought his chocolate and headed back downtown (Happy Birthday Rich), I joined the march at the farmers' market where I was Measure I tabling after speaking at (on Adult Ed) and leaving the rally. They had said they were going around the Lake but turned up Lakeshore Avenue and stood in front of Chase bank, then poured in. I stood in front of the bank window (many of you know that I'm the director of the Lakeshore Avenue business improvement district, BID) after I saw one man strike the window. Some others picked up all the deposit slips and threw them around outside. Myself and some of the marchers picked them all up. The police who had been closing streets so the marchers could march moved in, two only, and closed up the bank. No one was arrested or hurt. The crowd moved to the Wells Fargo and another woman and I argued with a couple of folks who seemed likely to break windows. That was it. They turned onto Wesley, the police closed the freeway off ramp and they headed back towards the Lake.

Except for a couple worrisome minutes on Lakeshore, it was all very thrilling and the police were completely cooperative, no riot gear or provocative behavior.

We learned at the encampment that more bins for food storage were needed, more hand sanitizer and fire extinguishers altho they do have a few. They are working harder to clean up the garbage and have plans to put wooden flooring under the stoves and remove the hay.

Sharon, I appreciate your additions to my response to Allan's questions. We all showed up today and observed the camp for about an hour before the march started. Allan, Don Link,

José, Pam, myself, Marilyn Bechtel are the ones I remember. The march was long and hot. I stuck it out until Grand Lake Farmers Market, then bought some chocolate covered almonds for Kit and headed back downtown to my car. I'm 67 tomorrow and starting to feel it.

Friday night, I met Allan and Dave Firestein and Josh, two members, along with Allan of a new committee that is trying to draft a statement that will be brought before the Occupy GA to deliver to Jean about a process to discuss the issues that the City has sent via 5 memos, so far. There seems to be a lot of resentment about the tone, content, intention, etc. of the memos from the City to close it down. Even for the folks that I don't believe are die hard anarchists, the anarchist philosophy seems to be the only coherent (?) ideology/framework that is being debated. It has a lot of influence. There are also individual pacifists, liberals, "hippies", lefties, union members, etc. There are a lot of really good people, even some of the anarchists, I'm sure.

In a very subjective moment, I also went up to look for Richard (Fuentes?) (Latino) that Allan understands is Jean's liason with the Occupiers. He seemed to be out of the office for the day. I got a very understandable "I'm tired of the whole mess." from the few employees, women staff that were leaving for the day. I highly suspect that this is the mood of most of "City Hall." I also suspect that there is some sort of appreciation for the 'Tax Wall Street and the Rich' sentiment coming from the occupiers, but, who knows?

We also heard a rumor that Desilee might introduce some kind of a resolution before the CC that would endorse the Occupiers? I thought that she removed her tent, (John Jernigans tent?) but, I might be wrong. They definitely were not in attendance last night or today while I was there.

It's a very fluid situation. I think, in terms of the occupiers, it is a mistake to pick on the few incidences that have been used as examples as unacceptable behavior or practice. Don and I agreed that if there are any more rats, it's not during the day when the activity is up. It would scare the shit out of any rats. At night, after 12 midnight, who knows? I used to work for Vector Control with the County. The conditions for rats are: Food, habitat and water. I'm wondering still, if ANYONE has seen a rat on site? I know rats are smart and resourceful, but, it's pretty scary with all the giants stomping around (from a rats point of view.)

While I was observing the Kitchen area, the people, the volunteers, staff are very well behaved, wearing gloves, careful, courteous. Like Allan, I'm very impressed. I watched the head of the security team, a young African American with dreads, very articulate, use a found, open pocket knife as a teaching moment and demand that people be more careful, conscious of leaving dangerous tools lying around. He also demanded no graffiti on the permanent property. Some one came up afterwards and claimed that the security fellow did not have the authority to make the demand about graffiti. They didn't agree. The process is very interesting. Klunky.

This really is an experiment in real, direct democracy, versus bourgeois democracy. This is one of the main reasons that so many of the participants are so dedicated, passionate. It's like Woodstock with better politics. People are acting like we do after a fire or earthquake when the best in us comes out. They are all getting an endorphin rush from this. If I wasn't employed, married, paying rent, I would be right down there with them. 40 years ago when I was their age, I WAS with them.

There is a book waiting to be written from all the emails, twitters, facebook entries that are not in one central location. I mean nationwide, not just Oakland.

just saying,

Rich J.

Dear friends,

Even though my schedule and other commitments prevent me from participating right now in the efforts of Allan, Rich, Pam and others to unite with and help OO, I want to say that I agree with what Rich says below. In just a few weeks the Occupy movement has managed to change the political dialogue in the mainstream media. All year long all we heard about was the deficit. Now even the Republicans are talking about jobs. That's no small feat and it has happened only because the New York occupation has been backed up by hundreds of others all over the country.

The capitalist system constantly reproduces its army of undereducated and underemployed. When that army rises up in protest, it can take many forms. I'm glad that the union movement seems to be in support of this latest uprising. Those of us who are union members should work to strengthen that support.

I have not spoken with her, but I'm sure that the Mayor wants to negotiate with the occupiers to find a way to avoid an ugly confrontation. But it's very hard.

thank you, Allan,

I strongly endorse this approach that Allan is suggesting. It is also my experience that, even though it seems that the "anarchists" have an inordinate amount of influence, they are definitely not the only force, in an ironic way, maybe the most organized. Even the anarchists are not of one voice. The frustrations, the reality of the youth are real. It's the whole picture, all of the various stresses. No jobs, poor educational opportunities, profiling and an unwillingness to put up with this any longer.

Where have I heard this before?

Let's calm down and talk this out. Nonviolent assembly. Give and take. Have faith in our own ability to solve difficult conflicts. This a nationwide, worldwide movement.

Mishandling has potentially huge negative consequences.

3. What options have been considered besides eviction, and whether these options have been thoroughly discussed with the protesters.

Occupy Oakland is the heart of the Bay Area occupy movement. I strongly suggest that this eviction not proceed. Our new intern has studied the occupy locations around the Bay Area, and we should look to people like her to find a way out of this.

It does not need to be a sad day for Oakland,

It is a very sad day for Oakland. Jean informed me after our meeting last night that due to the growing nighttime problems (violence, danger to occupants, etc) the eviction notice was issued. the intent is that the day time use of the park is encouraged for the protest. Unfortunately, as we discussed last night the

bulk of the occupiers will not go peacefully (my opinion) and as in the past with the Oscar Grant demos want to take out their anger on Oakland downtown.

I see no good way out of this and hope that Allan and others will help to keep this situation peaceful. The fact that thousands marching peacefully on Sat were NOT welcomed by the Occupy Oakland folks was a bad sign to me that unifying Oakland for political action was not in fact the intent of many of those occupying. Based on past experience where anarchists have used these issues to take out their youthful frustration on our city I fear the worse. All I ask is that cooler heads prevail. Thanks, Floyd Huen

Dear BBBON Core Folks,

Those of you at last night's BBBON Steering Committee Meeting heard several of us extolling the importance of this movement, the need to reach out to the militant, organizing youth of Oakland at the center of "occupy", and the very strong, broad and deep support for Occupy. Occupy is a presence in over 1000 cities around the world, and is the most dramatic, positive and unifying movement I've seen in my 45 years of being an activist. Several of us (Jose, Don, Rich, Sheryl, etc) plan on meeting on Saturday at 10:30 AM on Saturday to find out how we and BBBON can be of support, and encourage Occupy Oakland participants to work with BBBON in the future. We have a BBBON tent and you are welcome to use it (let me know which night(s) you want to stay). You are encouraged to join us, and participate in the march as well (see below and more detail at [occupyoakland.org](http://occupyoakland.org)).

Now, with the City threatening eviction the stakes have sadly been raised substantially. As I mentioned last night, several of us have repeatedly stressed to the Occupy Community that Mayor Quan is one of us, and would not allow the police to invade and crash heads as has been done in a few other cities. This is a peaceful protest, but also a resolute and organized one that will not cave easily or without resistance. Perhaps we can exert our influence to assure that there is no confrontation, as a major battle would be a disaster for countless reasons. Your ideas are very much welcomed, and hope to see you on Saturday morning!

The entire global economy is broken, and politicians in the US and elsewhere remain powerless to do anything about it. It's time to take power into our own hands, to occupy the spaces from which we have been excluded and reclaim everything that has been stolen from us.

Hi,

I spent most of the weekend at Occupy Oakland, and wanted to give BBB folks and others a quick flavor of what is going on for those of you that weren't on the march from Laney on Saturday. There are over 270 tents now set up in this amazingly functional, committed encampment (you can see more details on [occupyoakland.org](http://occupyoakland.org), with other news from [occupysf.com](http://occupysf.com), [occupywallst.org](http://occupywallst.org), etc.). The incredibly diverse, youth-driven group is much more organized than you would imagine. Fully functional kitchen, clothing donation center, internal security team, education/workshop group, and a dozen sub-committees. One of my favorite moments was when this very cleancut guy came up to me with trays of food to donate--he asked that I not use his name, but let people know that though he sells stocks all day long, he understands the greed and corruption from the inside and totally supports the Occupy Movement. Pics and reports can only give a small piece of this inspiring, energetic movement. If you want to meet hundreds of committed activists (many of whom are unemployed youth, homeless folks, and others), or lend support or donate in some way, I encourage you to stop by, as I think you'll be as moved as I am.

I set up tent number 171, but cannot be there on a regular basis. I want to encourage those of you who can to visit, support and feel free to use the tent I've set up if you want to spend a night or two there this week. I can give you the details of where it is if you contact me (h. 510.482.1410, c. 510.910.0998).

I will miss Thursday's BBBON SC Meeting (have Glenview Neighborhood Assoc meeting/elections at same time), but would suggest that this item (how to support and be involved in Occupy) be put on the Agenda for discussion. We are also organizing teacher's unions from around the Bay Area to join in their local Occupy effort.

Thanks for all you do.

Allan

Dear Mayor Quan,

We are writing to you today because we are sure you have recently read about our company and the uncertain economic times we are facing. You may also have seen advertisements we are running to communicate key facts about our work with customers, businesses and communities. As a key stakeholder here in the Bay Area, we want to provide you with additional information on the state of the financial services industry and Bank of America in particular.

U.S. banks have come through the financial crisis and are poised to support the economic recovery. Actions that banks took – and, in some cases, were forced to take – resulted in stronger capital and liquidity, and less risky operations. For our part, Bank of America has reorganized, downsized, streamlined, simplified, reduced risk, and focused on customer needs. Simply put, we are now a stronger bank.

While we have made progress in many areas, there is more work for us to do. We are addressing the foreclosure crisis and related issues through a national community revitalization strategy; we are actively lending and investing across the nation including extending capital to consumers, small businesses, large companies and others; and we are supporting workforce development efforts, hunger causes and neighborhood preservation through philanthropic giving.

Here in the Bay Area and in the State of California, we are continuing to do our part to support the local economy. We have lent more than \$1.2 billion to small businesses in California during the first half of 2011, part of \$7.8 billion lent nationwide so that small businesses can grow, build, and hire. Since 2008, we have modified more than 193,000 mortgages in California. Our employees here in the Bay Area have recorded more than 15,000 volunteer hours so far this year to nonprofit organizations in the communities where they live and work, they pledged more than \$900,000 to the local United Ways during the 2010 campaign, and made another \$1.35 million in matching gifts in 2010 to nonprofits throughout the Bay Area. That does not even include the philanthropic contributions that we make to the region as a company; for the past several years, we have been among the top corporate philanthropists in the Bay Area.

We are committed, here in the Bay Area and beyond, to continue to do our part to contribute to the economic recovery. More information on what Bank of America is doing to help support the economic can be found in our [2010 Corporate Social Responsibility report](#).

We welcome the opportunity to get together to discuss any of these matters further.

Sincerely,

Dear City Administrator and City Attorney-

I have received the memo sent this morning by the City Attorney in regards to the Tent Cities in Frank Ogawa Plaza and Snow Park. I'd like to state for the record that as of today, 10/24/11, neither the City Attorney nor the City Administrator's office have briefed the Council, or at least not me, on the tent city situation.

I spoke with the City Administrator last Thursday to express concerns about the tent city in the plaza and was assured by her that they were working on a plan to deal with the situation, that an eviction order was to be issued shortly, and that they were prepared to take action, yet four days later, nothing has happened.

I shared with our City Administrator last Thursday that I have received multiple complaints from residents and downtown businesses around Frank Ogawa Plaza, including complaints of stolen items, vandalism and a negative impact to sales resulting from illegal activities taking place in the Occupy Oakland campground.

Despite the distribution informational materials regarding what is and what is not permissible in the Plaza, tensions continue to build in the Occupy Oakland campground and we as a City will be held liable for any damages and/or injuries. We all know that we will be held responsible for failing to take action and each day that passes, the City's failure to act sends them the message that we will accept and tolerate their actions.

Other municipalities across the Country including our neighbors in San Francisco and San Jose have not allowed camp sites to grow as we have here in Oakland, they've both taken action to remove tents to avoid future larger conflicts between the camp tenants and the City, particularly police.

What are the next steps to address the safety and health concerns and when will the campground be removed?

Ignacio

Hi Sue,

The "Start-up Oakland" campaign is designed to bring new jobs to Oakland by growing them locally through start-ups. Based on Oakland's value propositions (see attachments), the campaign is designed to rebrand Oakland as the new start-up center of the Bay Area,

To kick off the campaign this fall, we have organized three business recruitment events over three consecutive weeks that drive home our messages in the blogs, Venture Capital board rooms, and among entrepreneurs.

These events are:

### 1. Startup Oakland

This completely sold out event at the Fox Theater brought together investors and entrepreneurs to talk about opportunities in Oakland.

It created a ton of buzz on Twitter and online. The Mayor's office co-sponsored the event with Double Bottom Line (DBL) Ventures, and the Mayor welcomed the panelists and all the guests. Noted panelists included five leading Oakland-based CEOs:

- Joe Kennedy, (CEO & President, Pandora),
- John Woolard (President & CEO, BrightSource Energy),
- Kristin Groos Richmond (CEO, Revolution Foods),
- Jim Marggraff (Chairman & CEO, Livescribe)
- Julie Corbett (CEO, Ecologic)

### 2. InOak Innovator Awards

What: Final InOak Networking Event of 2011

Where: Rooftop Garden at Kaiser Center, 300 Lakeside Drive, Oakland

Date/Time: Thursday October 27, 5-8 p.m.

2011 Awardees Include: Code for Oakland, Pandora Internet Radio, Youth Radio, Poplyfe, Sungevity, and DBL Investors.

InOak was founded in March 2010 by a group of business people that includes Oakland CEO's Joe Kennedy of Pandora, Alex Bernstein of North Social and Patrick Hurley of Skytide. We came together with the understanding that Oakland's business community is its own best ambassador for attracting and retaining the innovative, technology driven companies that will be a key dynamic in growing Oakland's economy and job base.

Drew Lisac, Senior Advisor on Economic Issues in Oakland Mayor Jean Quan's Office, will present one of the Innovator awards.

### **3. California Clean Tech Innovation Conference**

What: A statewide conference in Oakland that brings together the leaders in renewable energy, energy efficiency, green transportation, recycling innovation, and green building initiatives.

Where: Kaiser Center, Lakeside Drive

Date/Time: Nov. 2 & 3, 8am-7pm

The conference will include:

- Key influencers, panel presentations, trends, financing, networking.
- VIP dinner showcasing California's leading universities and labs on green technology.
- Business plan presentations by 25 of the most impressive "start-up sensations."
- 15 "Game Changer of the Year" Awards

The Mayor is welcoming the conferees to Oakland, and hosting a reception for Oakland's green tech leaders.

I have also included :

1. ) a PowerPoint slide deck (I Choose Oakland) that I use when speaking to start-ups and VCs
2. ) a one-pager graphic that we are developing for start-ups and VCs (draft- needs some work but almost there).

Hope that helps!

City Attorney Barbara J. Parker

# STATEMENT

**FOR IMMEDIATE RELEASE**

October 24, 2011

Contact: (510) 238-3148

<http://www.oaklandcityattorney.org/>

OAKLAND, CA – After 40 minutes of deliberation, a jury in Alameda County Superior Court ruled today that gender discrimination had nothing to do with the termination of former Oakland City Administrator Deborah Edgerly.

Edgerly was terminated by former Mayor Ron Dellums in July 2008. In a lawsuit filed in July 2009 (Case # RG09461220), Edgerly claimed, among other things, that she was fired as a result of gender discrimination. The judge dismissed Edgerly's other claims before trial.

## Press Statement from Oakland City Attorney Barbara J. Parker:

"I am committed to vigorously defending our City and our residents to ensure that taxpayer dollars are protected. The jury clearly found that the plaintiff's gender discrimination claim had no merit. I am gratified by this excellent verdict and I hope we can now put this behind us and forge ahead on the other priorities and challenges facing Oakland."
